Rickey Dale Sipps

1960 ~ 2020

On May 26th 2020 Rickey Dale Sipps of Ashland, Ky passed away at the age of 60. Weary of reading obituaries noting someone's courageous battle with death, Rick wanted it known that he died as a result of being stubborn, refusing to follow orders and raising hell for his six decades. He was an artist who loved building with his hands. He loved Harley Davidsons, and fishing until the day he died.

Rick was born January 1960 in Ashland to William and Rilda Sipps. A humble man, he is noted for his wisdom, creativity and defending those who could not defend themselves. He was not political, he didn't belong to any clubs, but was instead the founder of so many memories and smiles.

Rick was preceded in death by his parents William and Rilda Sipps, his brothers Jack, Jim, and Frank Sipps and his sister Linda Driscoll. Survived by his beloved sons Lathan and Rickey, his beloved daughters Lexee and Mandy. His wife of 30 years Sandra Sipps, sister Ruth Horner, Hazel Brown, Peggy Fryer, Dorothy Fannin and Nancy Seagraves and a host of nieces and nephews. He asks that when you think of him you re-tell his stories he can no longer tell. His lineage will be carried on by his grandson Bryson Loki Sipps.

“In every universe there is a question; in every person there is an answer.”
