“ *Elmer and I got acquainted with Annis and Bob at New Beginning Church on Haney's Branch several years ago. Sister Annis often had a beautiful poem to read, so she was the 'poem lady'. I have visited with them at their home, and they have been a lovely couple; she had shared with me how she and Bob met (had wedding photo and their kids' photos on living room wall). She certainly was blessed with a long life and long marriage with a good companion. She was a very artistic and talented lady. It was a joy to know her.*
