Tribute Wall

“ To the Baker Family... I am so very sorry for the loss of Barbara. She was a fine woman. Donna and I attended school at Chesapeake West and East many years ago. Katie and Josiah, who I think the world of, rode my bus for years. Barbara was always waiting for them at the bus stop and we'd have a quick chat. She brought me cookies and treats on several occasions. The world lost a good woman and Heaven gained another angel when Barbara passed. Deepest sympathy and sincerest condolences to the entire Baker family. You are all in my thoughts and prayers.
