“ *Bettina McCoy was hands down one of the sweetest human beings I have ever known in my lifetime. I saw her a few years ago, after not having seen her for years, and she was exactly the same sweet person she always was. We are blessed, in life, (if we are lucky,) to have glimpses of just pure goodness in a person, and Bettina was that person for me! Godspeed my sweet friend - enjoy your reward. “ *Bettina, I am honored to have known you. You have always been so caring and giving. You always had time to help me when I had questions at work. You were one of those people who was destined to leave an impression on everyone you came in contact with. Especially children. I so enjoyed talking to you awhile back when my sister passed. You were so comforting as always. You will be missed by everyone who had the pleasure of knowing you. May God comfort your beloved family at this difficult time.*
