“ *My aunt Pat always made me feel special and told me I was pretty. When I was a little girl I was allowed to play with breakable pretty nik nacs she had on shelves. I loved to hear her and my mom sing. I am sad and I will miss her.*

“ *My favorite memories of Bradys are the times we spent playing our guitars & singing. She never got too old to pick that guitar, and move those fingers. It will be hard to go down to Chesapeake and visit knowing that I won't have Bradys to play music with. That was the thing I looked forward to the most when Peanut and I were planning to go down for a visit before he passed away. My condolences to her family. I'll keep you all in my prayers that God will give you peace & comfort. That's what Bradys would want, and may she rest in peace. We'll be pickin' those guitars together and singing again in Heaven someday Bradys, and a whole lot better than we ever did here. Love, Margie Ferguson (Peanut's wife)*
