“ I wish I was half the man he was. He was such a great man and never met anyone that he didn't treat as a friend and would go outta his way for anyone doing any and all he could for anyone. He was always there for me. I was so blessed to be Abel to call him dad the men he didn't have to be and he never seen me no different then as his own blood. . Your always in my heart and never forgot. Dad I love and miss you so much please forgive me for all my wrongs and mistakes I've done and made In life Im sorry I didn't get the chance to make mends or to even tell u I love you or goodbye. Rest in peace.

“ You held my hand when I was small. You caught me when I fell. You're the hero of my younger years, and my adult years as well. Everytime I think of you my heart fills with pride. Though I'll always miss you dad I know you're by my side. In laughter and in sorrow. In sunshine and through the rain. I know you're watching over me until we meet again. I love you dad.

“ *There I was, back in the wild again And I felt
right at home where I belong I had that feelin'
comin' over me again Just like it happened so
many times before The spirit of the woods is
like an old good friend It makes me feel warm
and good inside I knew his name and it was good to see him again
'Cuz in the wind he's still alive*
