“ *Belinda, I am so sorry to hear about Chuck. He was a special person, always had a smile when he came in the office, no matter how bad he felt, he smiled. He once gave me a cross he made, from nails, I still have it and will cherish it always. If you need anything, just call. Thoughts and prayers for you during this difficult time. Love, Kim Bustetter, LPN*

“ *Belinda & Josh & Family, We want to send our deepest condolences to you. Ghost was such an amazing man. He was one of the greatest Christian men we know. He was always there to listen if you need someone to talk to, he was always there to show guidance if you needed advice. He was truly an amazing man. Our hearts break for you all. We cannot imagine the pain that you all must be going through but Ghost always said he was ready to go see his Savior and now we know he's up in heaven rejoicing and have the grandest homecoming ever. He's with his loved ones and all that he knew that had gone on before him. We will forever and a day miss him but he left us all with so many precious memories. Always There When you remember me Please do not weep My body may not be there It has chosen to sleep I'm not that far away My soul lives on Looking down, watching over You and everyone And when you feel sad And life seems so blue Just remember That my spirit has its arms around you And on those special days, Times that you wish I could see, That cool breeze flowing past you... Well, that will be me So don't be sad Have no fear God has taken me under his wing But I'll always be near I still watch you Every minute, every day My love and soul are with you And that's where they will stay.*
