“ My heart is broken, we go back since childhood, so many memories, most recent the Christmas tree, it is the most beautiful tree and just looking at your face just smiling and saying I got it. I will put it up every year long as I am breathing in your memory. I am missing you so badly, you are my best friend now and forever. You have no idea what an impact you had on my life, my family and my children. I love you my friend. May you rest in eternal peace.
