“ I met debra at close to home!! I was not only her nurse but we were friends! She was always thinking of others and ways to make someones day brighter and happier. She would decorate the door each holiday with hearts, leaves or whatever holiday it may be!! She was very selfless and had a heart for others!! She will be greatly missed. I have taken care of lots of people in my 20 years as a nurse but Debra is one of those people who has always had a special place in my heart heart
