“*Mrs. Thacker had more influence on my life than anyone. She was my best friend, mentor and adopted Mother. She always showed me unconditional love and added a positive attitude to life's adversaries. I loved her dearly and know that God placed us in each others life. I am so blessed to have known her for 43 years. I have many wonderful memories right up to the end of her life. I know she is rejoicing in a great reunion with all her family that has gone on before her and I will see her again.*

“*Fleeta was one of the first people I met when I moved to Munfordville as a young bride. We shared a love of books and the library. I was on the library board for many years when she was librarian. Fleeta was kind to all the patrons.*
