“ *Ducky was truly one of a kind, and I've valued my friendship with him since first we met. Just a high school kid and a friend of son Bill, he treated me like one of his own...even took me on a fishing trip to Canada. Though I've been away from the area for many, many years now, I have tried to meet with Duck and Peg every time I was in town, and it was always more than worth the effort--a home away from home as they say. All I can say is that I loved this guy, I valued our friendship, and will sorely miss seeing him when I'm in town. God has yet another good one. My sincere condolences to my second mom, and my old buddy Bill. May God bless and comfort you and the rest of the family during this difficult time. Jim Nelson*
