“ *Grandchild (Milee) I will forever love you.you were the best granny ever. I never even thought or wanted to realize what this world would be without you. I'll forever keep every card you gave me for when I am missing you most I know you'll be with me. I know your not in pain and suffering anymore. I can't even emotionally and mentally feel this is actually real. you made such an amazing impact on our lives and what hurts is, I didn't even get to say goodbye one last time. But i know your watching over me and you will forever be one of my angels. I love you until we meet again.* ”
