“*Kim, I understand that you have a mental disability, but you should not comment so angrily on what does not concern you. Bridgett paid all of Gloria's expenses in the years leading to her death and after. No one else came to visit, not you or your father. She wanted nothing to do with your father, you should understand that because he's wanted nothing to do with you most of your life.*

“ I'm on the visitation team at Lewis Memorial Baptist Church and I first met Gloria about 9 or 10 years ago (when the facility was called Heartland)while visiting her roommate who was a member of my church. I continued to visit Gloria after her roommate passed away. Gloria was so friendly and had a great sense of humor. She was the best at coloring and crocheting and I would tease her about taking all the good prizes at bingo and leaving what nobody wanted.

*Her sister Bridget kept her so well stocked with food and snacks that some patients thought it was a store.*

*Gloria will be greatly missed.*

*I'm sending prayers for comfort and peace to the family.*
