“ Just wanted to send my condolences to his family and tell you how sorry I am that I can't be there today. I new Herman for a lot of years back when things were so much easier. Those were the good ole days. Wish I had got to talk to him more at the reunion but I have my memories and those will do. Until we meet again, Bonnie Farris

“ I wish I could have been there today to say a last 'farewell' to an old friend. Herm was a wonderful man who was funny and caring with a deep love for his family. It is such a loss to all of us on earth to lose him, but I am sure God has big plans for him. My condolences to his family...Judy, Duane, Brian, his grandchildren and Mike. May time ease your sorrow with the memories you made while he was here. Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. So, until we meet again... Do not stand at my grave and weep. I am not there. I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you awake in the morning's hush I am the soft uplifting rush of quiet birds in circling flight. I am the soft star that shines at night. Do not stand at my grave and cry I am not there. I did not die. See ya later Herman... Forever friends, Sandee Bennett-Muth
