“ *God's Masterpiece Is Mother By Herbert Farnham God took the fragrance of a flower... The majesty of a tree... The gentleness of morning dew... The calm of a quiet sea... The beauty of the twilight hour... The soul of a starry night... The laughter of a rippling brook... The grace of a bird in flight... Then God fashioned from these things A creation like no other, And when his masterpiece was through He called it simply - Mother.*

“ *Ken and I are so sorry to hear of Irene's passing. She had such a wonderful family who stood by her and took excellent care of her the last few years. I know she loved you and was so proud of the care and love you gave her. I loved how she so enjoyed going out with us and listening to her girls and others sing, whether they were good or not. Rest in Peace, Irene*
