“ *My sincere, heartfelt condolences are offered to Tony's family and friends near and dear to him. I have a lot of memories from our youth, as we grew up together. Tony was strong in athletics and heart. He was aggressive, yet compassionate to those who may be hurt or lacked talent. He was a close friend all my life go later became family. So long Tony! You will be missed and remembered for the humble man you are/were. RIEP!*
