“ As I told Kathy many times how a met her father. We were freshmen in college came back in the summer and rented an apt about 3 blocks down from the bus station. And we didnt have phones so we (Beverly and I) would walk every evening before dark to use the pay phones. Mr. Howard came up to us, introduced himself and carry on a conversation asking where we were from and all. At that moment he said now you young ladies dont come down here using these phone after dark cause this alley and at the station people be trying to pick you up and bad things could happen to you. From that moment every day we would go and talk with him he would stand around to make sure no one would bother us. Ms. Howard and Kathy, Mr. Howard was like family and always treated me with respect. I am so very sorry for your loss. He will be missed. My heart is sadden. Prayers from the Allen Family. “ *When I first traveled to the area to visit my sister Alberta Casey, Jimmy was a constant and welcoming face while sitting at the Greyhound station with my 3 year-old son, Aaron. He made it a point to look out for us once. Little did I know that he knew of my sister and that one day his family would be my family. He, along with the Howard family, have treated me as if I was always family. He always had a kind and encouraging word. He would also get you straight if needed. My prayers go out to Ms. Sue, Kathy and the entire family. I pray that God will give you strength and comfort. I love you all always. Stacy L. Murray-Medcalf*
