“ Jerry I hope you have found peace! No one should loose their wife, and son in such a short period, I know your world was turned upside down, I always loved jerry I have known him since I have memories of being a kid, he was always there At mamaw and papaws house visiting or just at a job site stopping by and if anyone knew jerry he had to get his hands dirty while he was there! Didn't matter what he was wearing he would jump in and help out, when I started working at local 813 Mush was the B.A. he was always around! When dad passed jerry was there and was truly heartbroken, he and my father had a brother like relationship, they would argue fight and reconnect like brothers! I will miss this man more than I realize right now, his passing has really hit me hard! Jerry would do anything for the people he loved and that's the measure of a true friend, and man!!
