“ Grandpa, you will forever be missed and always loved!! My favorite memories together was going to car shows, tearing down, sanding, re painting and putting back together your truck and our fishing trips! Although most of the time we never caught anything we always enjoyed the grill and time spent together. We gathered every year for your birthday and mom and uncle johnnys. You taught me alot in life and im so grateful for that and the fact you got to meet your granddaughter aurora! I love you grandpa and I'll see you and grandma again one day, until then...save me a seat and watch over all of us!
