“ I remember going to her house to pick up Lisa and all she would say is. 'You girls be good' we would just look at each other and grin and Katherine would just smile and shake her head. She was a wonderful woman. She will be missed.

“ Hey Laura, I am so happy that your Mom is in heaven with our Heavenly Father rejoicing and praising His name. What a awesome sight that must me. I do share your greive and pray the peace of our heavenly Father upon you and the rest of the family. You are the best daughter I know. The time you spent with her, I bet she knows all about that. Our Father must have told her by now. You know and she knows you will see her again. I love you Laura!!!
