“ To the Dotson Family: I had the pleasure of being your neighbor as a child. My sister was in Brandon's class and I was in Lavonso's. The boys were always playing sports, outside. So very talented!! can't imagine what pain that this has caused you. Lean into God's promises. To be absent from the body is to be present with the Lord. Take comfort that while this is so painful, God is with you and he cares. The boys are reunited . No pain or illness. They are together and you will see them when you are done with your work on the earth .Keep fighting the good fight.💕 -Briana
