“ *I just heard of Uncle Lewis passing. He was such a good man. Loved growing up sharing the same birthdate with him. He was a kind man and he showed amazing attention to my children when we visited. He and my Aunt will be sorely missed by all of us.*

“ We just today heard of the passing of our old friend Louie and want to tell you just how saddened we are. We are friends from Canada who shared many winters with Louie & Pauline and have so many wonderful memories of them both. They will be sorely missed by all of us. We are so very happy that we stopped by on our way home last April and had a wonderful visit with them. Perhaps after so many years of marriage it is best for them to be together once again. Please accept our sincere sympathy on the passing of two wonderful friends.

“ I am sorry to hear the loss on your father, I was upset when your mother passed. My Grandmother lived in the house your parents bought after she moved to Huntington. Anytime they would find something they thought I would want, they would call. I remember spending my weekends and summers there when I was younger riding my bike, and they always had time to talk to me! That is something I'll never forget. I am truly sorry for your loss and I'll keep the memories of your parents with me always!

“ Dear Butch & Terry. My deepest condolences to you and your families of the loss of your father. He was a great friend. I always looked forward to him stopping in my office every week to collect the payments on the life insurance policies I had purchased from him on my four sons. We both would enjoy his visits. The legacy that Louie left from a lifetime of being a good man will certainly be his heritage. Jerry Gillen

“ Terry and Butch we are so sorry to hear of you dad passing. We had many good memories of your dad visiting when he would come by for the insurance. I can remember Dad (Jim Plumley) and Lou having many good laughs and cups of coffee at our house. May God bless you in this time. Keep all the good memories close. Maybe Lou and dad will enjoy another cup of coffee together now. Take care and know many people are thinking of you. Ruth Plumley Keeney and Juanita Plumley

“ I was soooooo that I able to visit with Louie in the last week. He was alert enough to have a conversation with me. Reminiscing of my Dad and Mom Roger and Malora Brown going on vacation with Pauline and himself some 48 years ago they had won for top sells. I was able o share with him some 10 years ago I took mom and dad by the same Fontaine Bleu Hotel they stayed in and Mom showed me the huge magnificent chandelier that took up the whole room. She had talked about for years. I was glad I could walk down memory lane with Louie. Now he and Pauline will be walking down that lane togr with or Lord and Savior forever by there side. I know he will also see my dad there and they will know each other and reminisce that gives me comfort. I miss my dad too. Our thoughts and prayers are with you as we share in your loss of both Pauline and Louie. God Bless you all, Shelley and Malora Brown
