“ We are so sorry to learn of Linda's passing. She always had a smile and a friendly 'Hello'. She used to come up to our farm when her girls were small. She bought them a goat one time and she ended up giving it to us. I think it kept getting out and coming up here. The goat just didn't work out for them. And one time they came up and the girls were dressed up pretty and they got out playing and got dirty. I don't know where they were going but she wasn't too pleased with them. Memories are precious. Our prayers are for Linda's family. May God hold you close and bring comfort to you. Earl Ray and Wanda Wells
