“ *I met Maggie almost 4 years ago when my parents came to live at Close To Home 111. She would sit outside weather permitting and always had a smile and kind word for all. When I would go visit my mom on Saturday evenings, Maggie would be perturbed that all the other residents had gone to their rooms and this place was just dead, she said! Lol She loved to laugh and talk. One thing she said she prayed for was to not loose her mind, love her heart, last time I talked to her was about a week ago and she still had a smile and kind word for me. I will miss her, but know she's in heaven laughing and enjoying her family and friends. Sincerely, Jackie Wilson*
