“ My sister Mary Miller was a one of a kind person who helped anyone she could. I do mean anyone. Knowing she's in heaven with mom and dad, Kayla, Emily, Tim, Jeff and my grandparents is what brings me some comfort. She was too young to go but when Gods ready he's ready. My brother Herman Aliff did everything he could to try and save her. God was just ready for her. She's missed dearly and so I don't know how to fill this emptiness in my heart for my sister but I know she's no longer in pain and suffering and we will get to see her again one day. I love you my big sis and I'll never forget our morning coffees and my visiting you when I was able to take the bus to see you. Your a beautiful angel now and home in heaven where you belong.
