“ Was so sorry to hear this news. Mike was a friend in school, as well as his dad in baseball circles. I would never have had a chance to play baseball if Mike had not said something to his dad Daryl, and the Daryl talked to my coach, from there a career started off in baseball. He was kind, sharp as a tack, and killed the girls with that smile. We all could write paragraphs, but goodbye, hope to see you again my friend, we still have to rearrange Mrs. Taylor's desk to drive her nuts at least one more time.
