“ Nancy was One of a kind! I met her almost 2 years ago when I went to visit the apartment building my mother was moving into. She Lived next-door to my mother in the apartment building. Her and my mother became friends and Nancy will surely be missed. She was quite the funny one. Her first words to me when I met her was they say I'm the mean one, but I'm really not. She said they lie on me. Another funny memory was she would make rum cakes and my mother would say I'm not eating that we'll get drunk, Nancy. Nancy made people laugh. She will surely be missed. Rest in peace Nancy. heartpurple_heart
