“ To hear that Paul had passed away broke my heart! Worked with Paul for 3 or 4 years down at are carlot a&a auto sales. During those 4 years, I truly got to know Paul. There wasn't anyone Or anything that Paul loved more than his family. He stopped down about a week after Thanksgiving and I missed most of my nephews birthday bc we was talking. I truly will miss those talks bc Paul had so much wisdom and never not once give me bad advice. Still seems unreal. Paul hold down the 4 wheelers up in Heaven brother until we can ride again. Fly High my friend

“ I had the distinct pleasure of being friends with Paul since our time at Burlington Elementary School, especially playing dodge ball and kickball on the playground then with Barney Woodard, Tony Schneider, Nolan Linthicum, Eric Gibson, and scores of others, and then moving on to the big leagues of Mr. Hurst's middle school PE classes. Good times and fun in the Cabbage Patch and on Buffalo Creek Road too, plus our experiences at South Point High School. One notable memory as kids was us running through the cemetery in Burlington because someone saw a recently dug grave awaiting its nearby casket. That evening sprint took us into the streetlights down the road and still shaking with child-like fear, much more innocent then. It was also my privilege be Kaila's English teacher at SPHS and reconnecting with the family after a hiatus teaching and coaching in Virginia and Maryland. I pray that the Scarberry and extended family grow to have comfort in Paul's passing, that the Lord bless you and keep you, that HE cause His face to shine on you and give you peace. “ My friend was the most caring person, who could make you laugh until you cry. He loved his community and treated everyone like family. When he had the STORE I watched him make sure no child went without. Heaven gained an angel, but Burlington lost it's Mayor. My heart goes out to Robin, Ryan, Kaila and his 4 beautiful grandkids who did not get nearly enough time with my wonderful friend. Even though I could not be there you are in my thoughts and prayers praypraypray
