“ She was my nanan, she helped me and took care of me since I was 2 years old. Her and my papaw gave me the best childhood a girl could ask for. I am gonna miss the times just sitting in the living room goofing off or just simply talking about things and her giving me advice on stuff I was going through. I'm gonna miss her laugh and hugs. You could never leave her house without her getting a hug goodbye. She was the best and she's taught me a whole lot. Rest in peace nanan.
