“ You know when we grew up in Riley camp, your neighbors became you family. This whole family was special to me, especially Regina. When we were kids we all called her Marie, but somewhere along the line she became Regina. She was such an awesome caring person. She surely will be missed.

“ *Dannie and family, it broke my heart to hear about Regina. We spent many shifts together, especially night shift, where she talked about nothing but her family and how much you all meant to her. She was proud of each of you. Her patients were blessed to have her care for them and we were blessed to have worked side by side with her. My thoughts and prayers are with each of you. I pray that God comforts and strengthens you in your loss. Lorrie Crowder Kelley*

“ Danny, it saddens me to hear of Regina's passing. I have fond memories of her and you working at Man ARH. After not seeing her for years, imagine my surprise when she was one of the RNs working when our oldest grandson was born at Cabell-Huntington 11 years ago this past December. She hadn't changed a bit! Just as friendly as ever! Even introduced me to her co-workers. God bless you and the children.
