“ My son grow to be a caring and loving man a father of 2 children Bobby Allen Scott Hannon, Cherity Hope Hannon, Richard was 36 years old, He was divorced and was raising his son on his own, Seen his daughter when it could, He loved his children very much no matter what I know how much he adored his babies, I seen many tears through the years over his babies, He would talk to me about many things he didn't tell many people, Richard battled with sugar but he would still try to work when he could find something he was able to do, He would take the shirt off his back to help someone he was just that kind of person, He didn't always get it back but he would help anyone that asked him to help, He loved playing video games with his son and watching movies and show's that had a week to week shows, He loved listening to music, Love spending time with me when I would come for a visit, We always enjoy hanging out going places to eat, Shopping and riding around, I miss not only my son I miss my friend he become as adult, He was a big part of my life, I loved him more than he ever knew,
