“ You were and still are my adopted spiritual
mother who would begin every telephone call
with "Praise the Lord." I will miss you but
never forget your kindness, biblical
knowledge, and spiritual wisdom. You made
the best potato salad and peach cobbler this side of the Mississippi.
Your love for Jesus, family, neighbors, and your church family were
obvious to all that had an encounter with you. I will have sweet
memories of you until we meet again.
Love you ❤️

“ 96 yrs.....WOW!! I can remember when I started visiting at the Howard home. Debbie and I were good friends. I would go by greyhound to visit Debbie and from the very first time, Sister Howard made me feel welcome and I've felt welcomed every time I have visited. She had a very gentle nature. My condolences to all of the children, (big hugs) grandchildren, friends and other family members. I'm sure you all have warm memories tucked away to pull out and smile about ❤️

“ Dear Aunt Ruby
It was so nice to see you March 2021 when Tampa and I came by to visit you after leaving Huntington in 1973. You looked the same and was using that leg exerciser sitting in your chair like an athlete.
You and Uncle Walter were cherished by the Hampton family.
Rest now and know love will always be there.

“ What a beautiful saint of God she was. She was such a boutique me when I needed a job and first started my career in education. I will never forget her kindness and hospitality extended to me when I needed it the most. Rest well because we are going to be praising God like none other when we all get together in heaven.
