*“ I'm so sad to know he's not here. I just talked to him a couple of days before he passed. Steve was always one of the sweetest people and so true. He fought many struggles. He wore a smile, through it all. Such a sad loss. He will always be remembered*

*“ I first met Stewart during training for Iraq. He was a very funny and down to earth and an awesome smart Marine. He took his job serious. He always had an adventure in his head and tried his best to execute them. After the Marines whenever we would talk we would share laughs, hard times and good sound advice. We always ended our calls with "love you brother". He was one of my few best friends and I'm going to miss him. I know he's carrying out his heavenly orders and guarding the streets of heaven well. SEMPER Fi Marine!! Love you brother Troy Douglas aka Dougie*
