“ To Mike, children and Nicki, My deepest sympathy to your family. I remember Susan fondly and her whole family from high school and after. So many good memories. How much fun she was. I've actually been looking for her lately, because some of the girls have been getting together. Her mom was great to me too. And Joan too. Susan had such a sense of humor and wit and was so kind. I'll always remember her smile. My thoughts and prayers are with you. Sincerely, Marilyn (Nibbe) Howells

“ I graduated from Vinson High School with Susan and we were very good friends. But after graduation we lost touch. I've tried many times over the years to track her down without success. I drove back to the Huntington area and visited the mother of another friend at River's Bend in late July. How ironic it would be if she was there at that time. Another irony, we both had little baby girls we named Kerri, same spelling. This is not a name we ever discussed, but I guess it shows we thought alike. I am so very sorry for your loss. Susan was a beautiful person, inside and out. Edra (Eddi) Milstead Keller
