“ I recently heard of Tom's passing, and want to express my sincere condolences to his family and friends. Tom was my cousin. We used to play together in his mom's beauty shop when we were little, which was a blast! The one game that sticks in my mind is playing 'Man from U.N.C.L.E'. I remember Tom could make the best sound effects. He'd make you think there really were fire truck sirens going by! I haven't seen Tom in many years, and didn't know where he lived. I was so sad to see that he passed. I'll remember him fondly, always. Cousin Connie
