“ Chuck, David, Barry and families I am so sorry for the loss of your mother. I remember so many Sundays we came out to visit you all; roaming the hill behind the old house (thinking the bull was going to start charging us at any time), picking up black walnuts, that never seemed to be any good, and when your mom & dad had that new house built, it almost seemed like a mansion. It seemed your mom and dad we always in the best mood and your mom was always smiling. I wish I could have been there to support you in person during this difficult time. You and your family are in my prayers.

“ *What a beautiful picture of Vada!! You can tell she was really enjoying a moment! Something I will always remember about Jr. and Vada is how much they truly loved each other. They were sweethearts! Precious people! So thankful they were a part of my church family!*
