“ I have fond memories of Mickey and myself going to Killarney for a weekend of fishing on the Georgian Bay. It was a trip that I have never forgotten. The fish were plentiful and a good time was had by all. I remember Mickey telling me how he grew up and the pestering bears that would come to the back door looking for food and that his Mother would run them off with just a broomstick. How I wish for simple times but that is just a memory now. Thank you Mickey for taking me fishing and all the conversations that we had. Peace brother, may your journey be filled with wonder and enlightenment. Chris Leonard
